

# Fragile... Handle With Care

Cherrelle

Ooh!

Ooh!

A gentle touch  
It means so much  
Attention when I need it  
That's what keeps my love  
I'm looking for the kind of man  
Who'll treat me right  
With tender love and care  
To give me every night  
(Every night)  
F-R-A-G-I-L-E, I'm fragile

Better lick it hard  
It's hard to handle  
So handle with care  
My love is fragile  
Better lick it hard  
It's hard to handle  
So handle with care  
My love is fragile

A soft caress (Ah, ah...)  
And tenderness  
I depend on having these things  
For my happiness  
This I know because  
It happened in the past  
'Cause when my heart's not handled right  
Then it will break like glass  
(Break like glass)  
F-R-A-G-I-L-E, I'm fragile

Better lick it hard  
It's hard to handle  
So handle with care  
My love is fragile  
F-R-A-G-I-L-E  
Better lick it hard  
It's hard to handle  
(To handle)  
So handle with care  
My love is fragile  
(My love is so fragile)

Please, handle with care  
Fragile

Ow!

Fragile

Oh-oh-oh...

Oh-oh-oh...

Better lick it hard

It's hard to handle  
So handle with care  
My love is fragile  
F-R-A-G-I-L-E  
Better lick it hard  
It's hard to handle  
So handle with care  
My love is fragile  
(Fragile, yeah)

Better lick it hard  
It's hard to handle  
So handle with care  
(Yeah, yeah)  
My love is fragile  
F-R-A-G-I-L-E  
Better lick it hard  
(Yeah, yeah, fragile, fragile)  
It's hard to handle  
(Fragile, oh-oh-oh-oh-oh)  
So handle with care  
My love is fragile

Better lick it hard  
Delicate, soft amour  
(Fragile)  
Dainty, petite, and sweet  
(Oh, fragile)  
Brittle, easy-fractured, unabused  
(Fragile, oh, fragile, fragile)  
So be extremely cautious with the touch  
(Whoo-hoo)  
De paroles  
(Fragile, fragile)

Fragile, fragile  
(Ooh-oo, fragile)  
Fragile, fragile  
(Fragile, yeah, yeah, yeah)

Better lick it hard  
(Ooh, yeah, yeah)  
It's hard to handle  
So handle with care  
My love is fragile  
(Ooh-oo-oo-oo)  
Better lick it hard  
It's hard to handle  
(Oh-oh, oh)  
Handle with care  
(Yeah, yeah)  
My love is fragile
