

# Keep It Inside

Cherrelle

I never knew how hard it would be  
Living without you  
Oh!

Ooh, oh-oh  
Ooh-ooh-ooh-ooh-ooh  
Oh, yes

I just feel like I'm losing you  
I have that feeling too  
Me too  
You know something?

It's all over, and I can't  
Keep it inside, keep it inside  
Tears are falling from my eyes  
And I can't  
Keep it inside, keep it inside

Felt hurt so many times  
And kept it all inside myself  
Thought this would be the same  
But now I'm feeling something else

My friends tell me I'll get over you  
And I still feel like such a fool  
I thought this day would never come  
And now it's here  
I don't know where the tears keep coming from

It's all over and I can't  
Keep it inside, keep it inside  
(Whoo!)  
Tears are falling from my eyes  
And I can't  
Keep it inside, keep it inside

No more stiff upper lip  
My pride has took a beating

I only use to cry in private  
Behind closed doors  
Now it doesn't even matter  
If I'm in public anymore

It's all over, and I can't  
(And I can't, I can't)  
Keep it inside, keep it inside  
Tears are falling from my eyes  
And I can't  
Keep it inside, keep it inside  
(Oh-oh-oh-oh)

It's all over, and I can't  
(I can't, I can't, girl, no)  
Keep it inside, keep it inside  
(Well)

Tears are falling from my eyes  
And I can't  
Keep it inside, keep it inside  
(And I can't)  
(Keep it, keep it)

Keep it inside, keep it inside  
Keep it inside, keep it inside

Mistake, maybe, breaking up, baby  
Mistake, maybe, breaking up, baby

Baby, I'm a man of pride  
But this time I can't keep the pain inside

Oh, I just can't deny the emptiness  
That's so clear  
So I guess I'll keep crying  
Till I run fresh out of tears

No, no, I can't  
Keep it inside, keep it inside  
Tears are falling  
Ooh, my tears keep falling down, girl  
Crying all the time  
'Cause I can't  
Keep it inside, keep it inside  
Oh-oh-oh-oh-oh

It's all over  
I can't, I can't  
Keep it inside, keep it inside

Let's sing it together

I can't, I won't  
I can't, I won't  
Keep it inside  
Ah-ah-ah

It's all over
