

Lucky

Cherrelle

Something told me it wasn't the one for me
But someday, I'll be lucky

Someday I'll be as lucky as the next girl
Some way, I know love will fill my heart
And I'll stay this way
Until the day that love comes again

I've dreamed all my life for Mr. Right
But Mr. Wrong always seems to come along
So I try to keep myself strong
Here I am again standing on my own
Each and every night, I pray

Someday I'll be as lucky as the next girl
Some way, I know love will fill my heart
And I'll stay this way
Until the day that love comes again, ooh-ooh

Maybe I'm asking for a miracle
For sure some things are just not meant to be
When it comes to somebody loving me
(Ooh-ooh-ooh-ooh-ooh-ooh)
But I know I was meant to be happy
So I wait patiently
It's just that right now
(Ah-ah-ah-ah)
Love has turned its back on me
Every good dog has her day
Ee-hee-hee-hee-hee

Someday I'll be as lucky as the next girl
Some way, I know love will fill my heart
And I'll stay this way
Until the day that love comes again
Oh-oh-oh-ooh-ooh, ooh-ooh

I never believed in rainbows
I wanted someone to hold me
I'll gladly go to the end of the rainbow
If he's there waiting for me
I'll stay this way
Until the day that love comes again

I'm tired of being alone
(Lucky, someday)
One day, I'm gonna have a happy home
Somebody's watching over me
(Lucky, someday)
One day, I'll be lucky

(Lucky, someday)
Lucky, lucky, lucky
(Lucky, someday)
Lucky, ooh-hoo, yeah, oh
(Lucky, someday)
(Lucky, someday)

(Lucky, someday)
