

# My Friend

Cherrelle

Ooh-hoo...  
Ooh-hoo-hoo-hoo...  
Hey-hey...  
Ooh-hoo...

I stand here today with nothing much to say  
What a sad way we've got to, we've got to say goodbye  
Never knowing when I see you again  
But wherever you go, you know you've got a friend  
'Cause a friend in need is a friend indeed  
And you've got a friend in me  
My friend, my friend

I remember when we used to, we used to hold each other tight  
I swore I would never love another  
And you swore the same thing to me  
A friend in need is a friend indeed  
And you've got a friend in me, oh  
My friend, friend indeed

Time seems to move so slow (To moves so slow)  
But while we're apart, there's one thing you should know  
A friend in need is a friend indeed  
And you've got a friend in me (Oh-oh-oh)  
My friend

(You are my friend, you are my friend)  
(You've got a friend in me)  
My friend (My friend)

I remember when we used to, we used to hold each other tight

My friend (My friend)  
My friend (My friend)  
I need a friend, you need a friend  
Oh, my friend

Be my friend
