

# New Love

Cherrelle

One, two, three, ha!  
Oh!  
Hey, hey!  
Whoo!  
Hey! Go!

Got to find a new love  
I know that's right  
Got to find a new love  
Mm-mm-mm!

Love life's a bore, the same old, same old thing  
To stay in love is never easy  
We've got to do things to keep love fresh and new  
Experiment as much as we can

Got to find a new love  
(Uh, uh)  
Got to find a new love  
(Got to find a)

Maybe I'll use some honey or some jam  
To sweeten up the sour places  
Love-making by the fire may heighten your desire  
Or stimulate some new ideas  
(Ooh, yeah, yeah, yeah)

Got to find a new love  
(Ha, ha)  
Got to find a new love  
(Got to find a)  
Got to find a new love  
(Ooh, mmm...)  
Got to find a new love  
(Mm, new love)  
Break down!

Whoo!

Whoo! Ha!

Don't misunderstand me, I'm not looking for someone new  
I'm just improving what I've got already  
'Cause working for a successful good relationship  
Is what I find, don't satisfy me  
(Hey, hey-heyy-hey)

Got to find a new love  
(Whoo! Oh...)  
(All right, now!)  
(Whoo!)  
Got to find a new love  
(Ooh-ooh, no, no)  
(Yeah, yeah!)  
(ooh, no...)

New love, got to find a new love

(Whoo! Yeah!)

New love, got to find a new love  
Come on and sing it, girls!

New love, got to find a new love  
New love, got to find a new love  
(Come on, baby)

New love, got to find a new love  
(No, no, no, no)  
New love, got to find a new love

New love, got to find a new love  
(Oh, oh, oh, oh)

New love, got to find a new love  
(Yeah, hey)

New love, got to find a new love  
New love, got to find a new love

New love, got to find a new love  
(Yeah, oh, oh, oh)

New love, got to find a new love  
(Get down!)

New love, got to find a new love  
(Whoo! Got to find a new love)

New love, got to find a new love  
(Got to find a new love)

New love, got to find a new love  
(Oh, oh)

New love...
