

Nothing's Ever Gonna Stop (The Way I Fell)

Cherrelle

No matter how hard times may get go to bed
Happy or sad nothing ever gonna stop the way I feel
Haah ooh ooh, the way that I feel
Hooh baby, hey yea

You and I we were making love in the dark and the rain came pouring down
You and I we made a promise to never part and never ever change
Ooh, love is so good between us
I'll never give you up your love means too much
You're, you're my whole world, my life
Cause there's no space and time no reason and no right
Even when things go wrong, I don't even worry, baby

Nothings ever gonna stop the way I feel
Nothings ever gonna stop the way I feel for you, baby
Nothings ever gonna stop the way I feel
Nothings ever gonna stop the way I feel for you, baby (baby, I feel)

Don't stop, don't stop (hey baby)
Don't stop, don't stop (the way that I feel)
Don't stop, don't stop (mmm, whoa baby)
Don't stop, don't stop (mmmm)

Ooh, I use to be so unhappy until you walked into my life
Ooh, with a touch of your love makes everything, everything alright
Love is so good between us
I'll never give you up, your love means too much
You're, you're my whole world, my life (my life)
Cause there's no space and time no reason and no right
Even when things go wrong, I don't even worry, baby

Nothings ever gonna stop the way I feel
Nothings ever gonna stop the way I feel for you, baby
Nothings ever gonna stop the way I feel
Nothings ever gonna stop the way I feel for you, baby (baby, I feel)

Don't stop, don't stop (hey baby)
Don't stop, don't stop (the way that I feel)
Don't stop, don't stop (mmm, the way that a I feel)
Nothing ever gonna stop, nothing ever gonna stop

What the world needs now is love sweet love
It something we never get enough of
Listen to your heart and hold on tight
To what's a firm that you have that's strong inside
Let's get closer closer to each other
Hearts don't lie so lets love one another
Do a lot more giving and not all taking
Stop what your doing and do some love making

Nothings ever gonna stop the way I feel
Nothings ever gonna stop the way I feel (feel) for you, baby, ooh
Nothings ever gonna stop the way I feel, the way I feel
Nothings ever gonna stop the way I
Feel for you, baby (way I feel for you, baby)

Don't stop, don't stop (don't stop me, baby)...

Nothing ever going to stop the way I feel...
Don't stop, don't stop...
