Stay With Me

Cherrelle

Baby, won't you stay with me
A little longer
Won't you hold me tight
For another night
Baby, please
Baby, won't you stay with me
A little longer
Try to make it right
For another night
Baby, please

I can't let you go, I'm not ready
Don't you close the door, mmm...
Let me love you more 'cause I'm ready
Don't you leave me behind

Baby, won't you stay with me
A little longer
Won't you hold me tight
For another night
Baby, please
Baby, won't you stay with me
A little longer
Try to make it right
For another night
Baby, please

Stay with me, stay with me
Hold me tight another night
Baby, please
Stay with me
Make me feel good all over, baby
Make it right another night
Baby, please

I won't turn you down, don't you worry
It's in cool right now, right now
Baby, stay around, what's the hurry
Let's make love one more time

Oh, stay with me
(Stay with me)
Stay with me just a little bit longer
Mmm...

Baby, stay with me
(Stay with me)
Make it right another night
Stay with me
Baby, please, stay with me
With me

Baby, stay with me
(Stay with me)
Oh, stay, stay a little bit longer
Stay with me
Don't you go nowhere

With me

Stay with me
Hold me tight another night
Stay with me
Make it right another night

Stay with me
Stay
Hold me tight another night
Baby, please, oh...
Stay with me
Stay, won't you stay
Just a little bit longer
Make it right another night
