

Where Do I Run To

Cherrelle

Where do I run to?
Why must I cry?
The love that we had was
Meant forever

Where do I run to?
Why must I cry?
The love that we had was
Meant forever

Where do I run to?
Why must I cry?
All the love we made, baby
(Was so) So good
(I know) I know
(Come back to me)
That's all I really need
(Baby) Oh, baby
'Cause all my love is for you, baby

Where do I run to?
Why must I cry?
The love that we had was
Meant forever

Where do I run to?
Why must I cry?
The love that we had was
Meant forever

Girl, you left me and I'm all alone
(I'm all alone)
Darling, won't you please
Come back to me where you belong?
All the changes, all the changes
I've been going, I've been going through
(They made) Oh, they made me
(Realize) Girl, I'm
(I'm all alone)
And don't know what to do ('bout you)
'Cause all my love is for you, baby
(All, all of my love, all of my love)
(All of my love, all of my love)

Where do I run to?
(Where do I run?)
Why must I cry?
The love that we had was
Meant forever
(Where do I run?)

Where do I run to?
Why must I cry?
The love that we had was
Meant forever
(Was meant forever)
(Ooh...)

Doo-woo...
