

Will You Satisfy?

Cherrelle

You know, everyone looks for pleasure
And a woman enjoys pleasure
As much as a man
But sometimes it's harder
For women to find pleasure
Or to be satisfied

Will you satisfy?
Will you satisfy?

In the quick of the night
A woman's feeling right
When she needs a man to call her own
Candlelight and sweet perfume
And lust is in the room
But she needs someone to share it with
Ooh, here he comes
With a sexy twinkle in his eyes
Tell me the truth
Lies just make me empty

If I let you take me home
Will you satisfy?
Will you be the man I can call my own?
Will you be the man of my dreams
Will you satisfy?
Will you be the one that can make me scream?

Promises that you make
Are all that I could take
Do you prove to me that you're for real?
Then I could just be wrong
The feeling's getting strong
I don't think that I can stand it any longer
Ooh, almost time
Put your gorgeous body next to mine
All through the night
A woman needs a affection

If I let you take me home
Will you satisfy?
Will you be the man I can call my own?
Will you be the man of my dreams
Will you satisfy?
Will you be the one that can make me scream?

Ah...

Ah-ah, ah-ah
Oh-oh-oh-oh
Ah-ah, ah-ah
Oh-oh-oh

Oh-oh-oh, oh-oh-oh
Oh-oh-oh-oh
Oh-oh-oh, whoo!

If I let you take me home
Will you satisfy?
Will you, will you, will you satisfy?

Oh!
Ah...

Will you satisfy?
Will you satisfy, baby?
Will you satisfy?

So what are you gonna do?
Can you prove to me that you're for real?
Ha, tired of talking
I want some action
Will you be the man of my dreams?
Will you be the one that can make me...
Ow!
