Lalalala ah yeah yeah
Lalalala woo yeah

I turn my head when we pass by each other
A bell goes off in my ear
The moment I've yearned for ever since I was young
Is getting closer

Like a prince that showed up in a dream
Like honey, even your voice
Is so perfect to me

I'm going to get a fever, I'm going to get a rash
It hurts, but I don't hate it

How can you just linger around like that
My heart isn't listening to what I'm saying
First love is a one-sided love

Oh no, without me even knowing
The moment I see you I turn red
Oh, baby, I can't stay still

You shake up the heart of the dime a dozen red-cheeked girl
Please understand me

Oh, ruddy, ruddy, ruddy

They say it's a one-sided love
They say it's a one-sided love

My face is looking weird
This isn't how I remember myself
They say this and they say that
But what can I do?

You fool, what are you doing?
Like a dim-witted person, I do nothing
It's obvious what will happen if I keep this up
So that there can't be any regrets

I'm going to talk to you, I'm going to meet your eyes
Honey is dripping, you enter my heart so quickly
I don't know how to hide it anymore

How can you just linger around like that
My heart isn't listening to what I'm saying
First love is a one-sided love

Oh no, without me even knowing
The moment I see you I turn red
Oh, baby, I can't stay still

You shake up the heart of the dime a dozen red-cheeked girl
Please understand me
Oh, ruddy, ruddy, ruddy

They say it's a one-sided love
They say it's a one-sided love

When your voice is lingering around me
That's right, that's right, whisper to my ear, baby
It's okay if you're not very good at it
The moment I see you my two cheeks are already red

I'm scared you might push me away
But I still want to tell you, I really do
It's the first time this has happened to me, that's right, I like you

Oh no, without me even knowing
The moment I see you I turn red
Oh, baby, I can't stay still

You shake up the heart of the dime a dozen red-cheeked girl
Please understand me
Oh, ruddy, ruddy, ruddy

They say it's a one-sided love
They say it's a one-sided love
