

## Addicted To Your Love

Cherry Glazerr

I'm feeling frozen, like I don't wanna talk  
I've run out of things, I'm addicted to your love  
Watch it get dark from my room  
It pinches my heart to be alone with my thoughts of you

When you leave me, will you still love me?  
I'm addicted to you  
When you leave me, I wanna know  
'Cause I'm addicted to your love

I'd die for you  
Can't go on living like I do  
Do you know how to sedate me like I do?  
I'd die for you  
Can't go on living like I do
