

# All My Friends

Cherry Glazerr

You are an alien princess, baby  
You have greasy hair

You play drums and you make me chuckle  
You smoke, smoke a lot of weed, you don't care  
You have a tattoo on your arm  
You passed out on the stairs

You are an alien princess, baby  
You have greasy hair

You have two cats and you love to laugh  
You have a big butt, you make clembutt art  
But you, you don't know where to start

All my friends are cool and nice  
All my friends are made out of sugar and spice
