

Bad Habit

Cherry Glazerr

Bad, bad habit
Bad, bad habit

I'm in a wildfire
Don't take back your love
Bad, bad habit
Hide you in my pocket
Cannot save myself now
Now

You are my bad habit
Bad, bad habit
I can't kick my bad habits
Bad, bad habit
Bad, bad habit

You are my eyes
I don't need them tonight
I don't need them tonight
Cut 'em out
Cut me out
Cut 'em out
Cut me out
You are my bad habit
You are my bad habit

There's holes in your mind
Riptides
Riptides
And I'm dying on the inside
And I'm dying on the inside
And I'm dying on the inside
And I'm dying on the inside
Dying
I'm dying
I'm dying

Bad, bad habit
Bad, bad habit

With the season change, I think of you
Bass thumping all around the room
Bad, bad habit
Your heart beating from across the room
Think I was reading too much into you
Bad, bad habit

Heart beating from across the room
You're so twisted, can I borrow you?
Cannot save myself
You are my bad habit
I can't kick my bad, bad habits

You are my eyes
I don't need them tonight
I don't need them tonight
Cut 'em out

Cut me out
Cut 'em out
Cut me out
You are my bad habit
You are my bad habit

There's holes in your mind
Riptides
Riptides
And I'm dying on the inside
And I'm dying on the inside
And I'm dying on the inside
And I'm dying on the inside
Dying
I'm dying
I'm dying

You are my bad habit
Bad, bad habit
Bad, bad habit
Bad, bad habit
