

Cry Baby

Cherry Glazerr

Cry baby, you cried all over me
My sugar baby, you taste so sweet
My baby, I wanna squeeze your feet
My pretty baby, you're the one I wanna see

My T-shirt is covered in your love sweat
My teacher is hotter than your head
Don't tease me, I'll shove you on the ground
For you, for you I make this sound

Cry baby, you cried all over me
My sugar baby, you taste so sweet
My baby, I wanna squeeze your feet
My baby, you're the one I wanna see
