

## Dosed

Cherry Glazerr

I got dosed by you and  
Closer than most to you and  
What am I supposed to do  
Take it away, I never had it anyway  
Take it away and everything will be okay

In you, a star is born and  
You cut a perfect form and  
Someone forever warm  
Lay on, lay on, lay on, lay on  
Lay on, lay on, lay on, lay on

Way upon the mountain where she died  
All I ever wanted was your life  
Deep inside the canyon, I can't hide  
All I ever wanted was your life

Show love with no remorse and  
Climb on to your seahorse and  
This ride is right on course  
This is the way I wanted it to be with you  
This is the way I knew that it would be with you

Way upon the mountain where she died  
All I ever wanted was your life  
Deep inside the canyon, I can't hide  
All I ever wanted was your life

I got dosed by you and  
Closer than most to you and  
What am I supposed to do  
Take it away, I never had it anyway  
Take it away and everything will be okay

Way upon the mountain where she died  
All I ever wanted was your life  
Deep inside the canyon, I can't hide  
All I ever wanted was your life
