

Grilled Cheese

Cherry Glazerr

Grilled cheese
In my mouth
Get on your knees
If you want a bite
Go fly a kite

Got the bread, got the cheese
Make me a grilled cheese, please
Try and steal a bite
We'll get in a fight

Grilled cheese
In my mouth
Get on your knees
If you want a bite
Go fly a kite

It's all about the butter
Make one for your mother
Then I'll make you another
Oh

Grilled cheese
In my mouth
Get on your knees
If you want a bite
Go fly a kite

Grilled cheese
In my mouth
Grilled cheese
In my mouth
