

Had Ten Dollaz

Cherry Glazerr

Had ten dollars but I put it away
Don't know where I'm goin' but the wind is blowin'
Smokeless but no way of knowin'
I'll be fine once the wind stops blowin'

I know that you notice my ways
And I feel, I feel your gaze
I know that you notice my ways
And I feel, I feel your gaze

Had ten dollars but I put it away
It's been a long, loveless day
You look at me like I'm crazy, baby
Lay back at ease, get to work lately

I know that you notice my ways
And I feel, I feel your gaze
I know that you notice my ways
And I feel, I feel your pain
