

## Self Explained

Cherry Glazerr

I started reeking of the people I was with  
I have no secret, I was freaking out a bit  
I took a chopper 'cause I grew up with a lot of changes  
I am alone a lot, I see this as my weakness  
I am embarrassed of my solo, I don't know why  
I don't want people to know how much time I spend alone  
Time I spend alone, time I spend alone, time I spend alone

When I take you on, I try  
When I take you on, I try  
When I take you on  
When I take you on, I try

I put up cinderblocks to take away the pain  
I separated from society today  
I don't get close to anybody but my feelings  
I cannot think when I am reeling  
I think of people that I used to see who don't like me  
I don't want people to know how much time I spend alone  
Time I spend alone, time I spend alone, time I spend alone

When I take you on, I try  
When I take you on, I try  
When I take you on  
When I take you on, I try

When I take you on  
When I take you on  
When I take you on  
When I take you on  
When I take you on  
When I take you on  
When I take you on  
When I take you on
