

Sip O' Poison

Cherry Glazerr

A single sip of poison, killed a kid who wasn't shy
Who wasn't shy, who wasn't shy

I feel my blood is boiling
I'm crawling up the wall
I smell the fear around us
Of when I was, eighty feet tall
Oh, oh, oh!
Hoo, hoo, hoo
Oh, oh, oh
Hoo, hoo, hoo

The horny boys are out
You better watch that eye
A single sip of poison killed a kid who
Wasn't shy!

Hoo, hoo, hoo
Oh, oh, oh
Hoo, hoo, hoo
Oh, oh, oh

Hoo, hoo, hoo
Oh, oh, oh
Hoo, hoo, hoo
Oh, oh, oh
I'm on a brain vacation
It's filling up my head
The blood is spilling out, it's pouring out
Party is dead!

Hoo, hoo, hoo
Oh, oh, oh
Hoo, hoo, hoo
Oh, oh, oh

Party is dead...
