

Sugar

Cherry Glazerr

You make me wanna crawl away
I'm so ashamed I'm not this way
Bottle up yesterday
But I think it matters anyway
You make me wanna push my luck
Break my heart
I don't care
Fortune told me that no one's there
I'm buried deep in your mess

I'm your sugar
I'm your sugar
I'm your sugar
I'm your sugar
I'm your sugar

You make me wanna crawl away
I'm so ashamed I'm not this way
Bottle up yesterday
But I think it matters
Anyway
You make me wanna push my luck
Break my heart
I don't care
Fortune told me that no one's there
I'm a clown going nowhere

I'm your sugar
I'm your sugar
I'm your sugar
I'm your sugar
I'm your sugar
I'm your sugar
I'm your sugar
