

That's Not My Real Life

Cherry Glazerr

I can sit in misery like a proper woman
Easier to see
I can give you all I have, all my secrets
If that's what you want from me
I will be your naked tree
If that's what you want from me

I will be your naked tree
Take my leaves if that's what you want from me

I don't know what stuck me here in the ground
But I want to untie myself
The suits, they don't want me to go
They just want me to bare it all for all the women
Punish me, punish me, punish me, punish me, please

I will be your naked tree
Take my leaves if that's what you want from me
I will be your naked tree
