

Wild Times

Cherry Glazerr

Will you drive with me? Forget about the time
Run when you come in
Fantasies of you blowing all the lights
Oh, how I love it
I've got to make some room for you tonight
When you gonna come in
Never coming down
Never coming down
You never calm me down

One body, mine forever
The devil's got me by the fur
Breaking up this medicine
I'm chasing after your love

'Cause I wanted you
I said I need you
But you don't need me
And I'm free
With dirty hands
You can have all of my life's memories

'Cause I wanted you
I said I need you
But you don't need me
But you don't need me
Never coming down
Never coming down
Never coming down
Never coming down

Live like a wire
You're in my mind
I'll take you in tonight
Before I change my mind

One body, mine forever
The devil's got me by the fur
Breaking up this medicine
I'm chasing after your love

'Cause I wanted you
I said I need you
But you don't need me
And I'm free
With dirty hands
You can have all of my life's memories

'Cause I wanted you
I said I need you
But you don't need me
But you don't need me
Never coming down
Never coming down
Never coming down
Never coming down

I need you all night
I need you all night
I want you all night
Don't be long
I need you all night
I need you all night
I want you all night
Don't be long

'Cause I wanted you
I said I need you
But you don't need me
And I'm free
With dirty hands
You can have all of my life's memories

'Cause I wanted you
I said I need you
But you don't need me
But you don't need me
Never coming down
Never coming down
Never coming down
Never coming down

I need you
I need you
I need you
I need you
