

Turned Me Down

Cherryholmes

Runnin' back across my mind
So many days of wasted time
You were so kind
Then you changed your mind

Livin' on a railroad track
So many miles not lookin' back
You had my heart
Then you left me flat

Chorus

Turn me down, turn me down
You made me love you
Then you turned me down

Turn me down, turn me down
You made me love you
Then you turned me down

I wish that I did never hold
Your pretty hand so soft and warm
You pulled away
And you grew so cold

I never thought I'd see the day
You'd leave and go so far away
I'm all alone
And my heart is gone

Chorus

You made me love you
Then you turned me down
