

All For You

Cherub

Life can be so crazy when you're all up in my head
Making sure that I'll never forget
Nothing really matters when you're laying in my bed
I don't think that life gets any better than this
Oh yeah

I don't think that life gets better than this
I don't think that life gets better than this

Naked in the sunshine or naked on my bed
Man, love can be so dangerous
It never crossed my mind that I'd do it all for
You, you, you, you
You, you, you, you
You, you, you, you
You, you, you, you
Cause I'll do it all for
You, you, you, you
You, you, you, you
You, you, you, you
You

Cause I'll do it all
For you, for you, for you
Cause I'll do it all for you...

Stop
I must be god damn crazy
Thought I saw the signs that
You were sending baby
I guess that I was blind to everything you
Do, do, do, do
Do, do, do, do
Do, do, do, do
Do, do, do, do, do
But I'll still do it all for
You, you, you, you
You, you, you, you
You, you, you, you
You

Cause I'll do it all
For you, for you, for you
Cause I'll do it all for you...
Cause I'll do it for you
I'll do it all
For you, for you, for you
Cause I'll do it all for you...
