

She's got a one-track mind  
My love is hard to find in this life  
Ahh, I've been looking for some time

When your feet are on the ground  
Your mind is safe and sound in this life  
Ahh, feel like I'm walking on clouds, clouds, clouds, cause

All I wanna do, yeah all I wanna do is be with you  
All I wanna do, yeah all I wanna do is be with you  
All I wanna do, yeah all I wanna do is be with you  
All I wanna do, yeah all I wanna do is be with you

Last night the moon  
It poured into our room I couldn't fight it  
You break me out of my shell  
And in these hard times

Somehow you always find  
A way to make it right  
I want you to always be mine  
Uh no, uh no

All I wanna do, yeah all I wanna do is be with you  
All I wanna do, yeah all I wanna do is be with you  
All I wanna do, yeah all I wanna do is be with you  
All I wanna do, yeah all I wanna do is be with you

All I wanna do, yeah all I wanna do is be with you  
All I wanna do, yeah all I wanna do is be with you  
All I wanna do, yeah all I wanna do is be with you  
All I wanna do, yeah all I wanna do is be with you
