

Don't Forget Me

Cherub

Wine is always nice,
When the glass is twice your size
No need for our eyes
'Cause love is always blind
No use for the time
Cause we've all lost our minds
We don't need them anyway
On a night like tonight, yeah

And if I was to fly,
Would you find me in the sky?
I hope that I live long enough
To say all my goodbyes
Drinking every night,
Makes me wonder sometimes
But if I was to die,
Keep my memory alive

Breathe in
Seize the moment
Hold it, lift it
Finish what you started
R.I.P, dearly departed

...

From the morning, to the evening
Eatin' and drinkin'
Sleepin' and sleezin'
And I have a weekend

So stay fun, chase some, stay fun
Have your fun, have your fun
So stay fun, chase some, stay fun
Have your fun, have your fun
