

# Goodbye Winter

**Cherub**

It's a full moon tonight  
All the stars align  
Me and him acquire

It's a full moon tonight  
All the stars align  
Us and them are waiting

It's a full moon tonight  
The stars have become so bright  
We are of light

Higher...

When you want something  
Don't be afraid to ask  
Life's too short
