

## Me

## Cherub

Yeah, I can be antisocial  
And I can be kind of vague  
Had my share of walls, and  
Slowly watched them all break  
One thing that I've learned is  
That we all make mistakes, yeah

I'm gonna say what's in my heart, baby  
'Cause I'm not afraid  
To share all these pains  
I'm gonna say what's on my mind, baby  
And if you walk away  
I'll still be okay
