

Serenade

Cherub

If it's the end of time
I'll never give you up
We'll be living fine
So you don't have to worry
I love the days you call me
Without you life gets boring
This is my serenade
Yeah you make my day

Give me all you got
I wanna give you what you need
One day won't be enough
But we can still make believe
When I look into your eyes
Yeah it makes me feel so high
Giving me the signs
That you're feeling all these vibes
Yeah

If it's the end of time
I'll never give you up
We'll be living fine
So you don't have to worry
I love the days you call me
Without you life gets boring
This is my serenade
Yeah you make my day

Yea see my trouble with you
Is that I can't get enough of you
You always cheer me up
When I'm feeling blue
I know you got your life
You know that I got mine
But when you by my side
It feels so god-damn right

If it's the end of time
I'll never give you up
We'll be living fine
So you don't have to worry
I love the days you call me
Without you life gets boring
This is my serenade
Yeah you make my day
