

## Signs

Cherub

Don't wanna scare ya but I see ya  
And I'm a big fan of your features  
Just might be drunk enough to meet ya  
My name's Jordan and I'm a Libra

So baby what's your sign?  
Cause girl you so damn fine  
You say that you're a Gemini?  
And that's a perfect match for me

Damn shawty how you do that shit?  
Know how I love when you do that shit  
Do it Do it  
Blow my mind when you do that shit  
Know how I love when you do that shit  
Do it Do it  
Damn shawty how you do that shit?  
You know how I love when you do that shit  
Do it Do it  
Blow my mind when you do that shit  
Girl I can't wait to see you to do that shit

You make me feel like I'm a rookie  
Box tastes just like some girl scout cookies so  
You got me out here playing hooky oh oh oh  
Cause I want it so bad...

(Bankroll M-Mafia)  
Slow down baby  
At least long enough to tell me your sign baby, Gemini  
Well listen up, you need to go around baby  
Bring a friend if you want to, that's up to you though  
But you know, I hate to be riding in a 2 door  
With two seats, just you and me and tryin' to fit two more  
But who knows? Lets move on  
And kudos to yo mom and you pops  
Can't wait to give you some with the door locked  
You lookin' at me like a Scorpio  
Attitude like a Sagittarius  
I swear if you let me near, Ima take ya 50 flows up bend your ass over on a  
tear  
Ya got an ass like a dancer, tryin' to play it cool like a Cancer  
But I'm the motherfuckin answer, no question  
This how a Libra do it, hey let me see if you can handle wood  
Now that you're [?] you really should

Damn shawty how you do that shit?  
Know how I love when you do that shit  
Do it Do it  
Blow my mind when you do that shit  
Know how I love when you do that shit
