

# So What

Cherub

Brace yourself, uh

Have you ever really seen the colors of the rainbow, yo  
If you're goin' out tonight hit me up 'cause I'm indigo, whoa  
You promised bright lights, bottle service with the red robe, uh-  
uh, uh  
But I be fine watchin' show, eatin' cereal

So what, so what, so what, so what, so what  
So what if I'm crazy  
So what, so what, so what, so what, so what  
So what if I'm crazy  
I still love you baby

I promise I can give you everything you want baby, yeah  
I'm gonna switch to falsetto 'cause I know it drives you crazy  
I love you more than love itself  
I know that doesn't make much sense  
But fuck it, fuck it, ooh

So what, so what, so what, so what, so what  
So what if I'm crazy  
So what, so what, so what, so what, so what  
So what if I'm crazy  
I still love you baby

So what if I graze it  
I still love you baby  
So what if I graze it  
I still love you baby

So what if I'm crazy  
I still love you baby, I do  
Yeah, yeah  
Yeha, yeah  
So what if we're crazy  
I still love you baby  
I do, I do, I do

So what, so what, so what, so what, so what  
So what if I'm crazy  
So what, so what, so what, so what, so what  
So what if I'm crazy  
I still love you baby

So what, so what, so what, so what, so what  
So what if I'm crazy  
So what, so what, so what, so what, so what  
So what if I'm crazy  
I still love you baby
