

I want that crazy love  
Yea just the two of us  
Enjoying all this touch  
Yea we can't get enough

Oooooohhh  
When we shut off the lights  
We feel alive  
Oooooohhh  
Make me feel high  
When I look in your eyes yeah

Your love like Soda Pop-  
Bubbly and refreshing  
You always pour it up  
Right to the very top

Oooooohhh  
When we shut off the lights  
We feel alive  
Oooooohhh  
Make me feel high  
When I look in your eyes yeah

Found my take on it  
Just thinking about it  
Feeling just like Iggy Pop  
Listening to Motörhead  
Baby you're a bad bitch  
Rocking to your own shit  
Drinking down your Soda Pop  
Telling me to drop dead  
Slowing down the program  
Going home by your side  
Getting late now you and I  
I don't care if you are wrong  
Thinking way too much now  
Please report to me again  
I ain't synchronizing

Oooooohhh  
When we shut off the lights  
We feel alive  
Oooooohhh  
Make me feel high  
When I look in your eyes yeah
