

Sucker For Love

Cherub

Girl
You have a way with your words
Yeah you know how I like it
Girl
You tease so much it hurts
Cause you know how I like it

Baby please
You've got me on my knees
Begging mercy
You know just what I need
Don't deny it
You know just what I want
Don't fight it
You know I'll always be your sucker for love

Girl
I'm at a loss for words
And I don't even mind it
Girl
I bet you taste just like dessert
I can't wait to try it

Baby please you've got me on my knees
