

# You

Cherub

Counting all the seashells  
Wash up on the shore  
All of your secrets  
Spready across the floor

I tried to tell you, baby  
I tried to tell you, baby

Dig a bit deeper  
Show a little bit more  
You say what you mean, and  
I give you all I can afford, yeah-yeah

A mutual exchange, yeah  
A mutual exchange, yeah

I cannot change all your feelings  
I cannot change who you are  
I just wanna be there, babe  
Help you heal all your scars

I cannot change all your feelings  
I cannot change who you are  
I just wanna be there, babe  
Help you heal all your scars

I cannot change all your feelings  
I cannot change who you are  
I just wanna be there, babe  
Help you heal all your scars
