

# Don't Talk About This Love

Cheryl Cole

I'm in so deep  
I'm scared to death  
It's like I could drown  
It's effortless  
I feel so juvenile  
Emotions going wild

Love is brutal  
My Heart is fragile

Please don't talk about this love  
The less they know the less they judge  
Don't talk about this love to anyone  
I don't want the world to know  
Until I'm sure that you're the one  
Don't talk about this love to anyone

Love is a ghost  
I fear to touch  
In case I lose my innocence  
I feel so insecure  
I'm not ready to be sure

Love is brutal  
My Heart is fragile

Please don't talk about this love  
The less they know the less they judge  
Don't talk about this love to anyone  
I don't want the world to know  
Until I'm sure that you're the one  
Don't talk about this love to anyone

Love is brutal  
My heart is fragile  
My Heart is fragile

Please don't talk about this love  
The less they know the less they judge  
Don't talk about this love to anyone  
I don't want the world to know  
Until I'm sure that you're the one  
Don't talk about this love to anyone  
Don't talk about this love to anyone  
To anyone
