

Gimme The Right Sign

Cheryl Wheeler

(Chorus)

Gimme the right sign
I'll try to give you what you need
I'll make the right moves
Just gimme the right sign
I'll try to give you everything

I'm so slow to notice subtle changes, day by day
I'll wake up one day and we'll be strangers, so you say
'cause these things never have a happy ending
But I believe it isn't true
You know better than to keep pretending
When I'm not good at seein through you
And all you've ever gotta do is

(Repeat Chorus)

Everybody's talkin 'bout when times were better
Or how things might have been
If all the people toed the line and pulled together
Like way back when
And you and I haven't got a snowball's chance
This world's gone crazy with an attitude
No one really wants to find romance
They don't make lovers like they used to do
Well don't you listen, cause it just isn't true - if you

(Repeat Chorus)

I can't find it out if you won't tell me
I can't buy what you refuse to sell me
No one's guessin now you better show it
All you gotta do is let me know it
