

## Nice Guys

Chester See

Nice guys finish last that's why I'll treat you like trash  
It's not what I really wanna do  
But you only date bad guys so I'll give you my best try  
To treat you the way you want me to

I never open a door or pull out a chair  
You can tell me how your day was but I don't really care  
And if you ever get cold, you'll just have to hack it  
Cause I'd be cold too if I gave you my jacket

Like whoa!  
You ain't sitting up front  
Front is for the homies, you can sit in the trunk  
I never answer my phone whenever you call it  
And when the waiter brings the bill  
I never reach for my wallet

Nice guys finish last that's why I'll treat you like trash  
It's not what I really want to do  
But you only date bad guys so I'll give you my best try  
To treat you the way you want me to

And Imma beat you in every competition  
Going out with the girls, you better get my permission  
Wait no! I take that back, you can't go  
House is on tonight and that's my favorite show

"Do I look fat in this dress?"  
Hell yeah! You do!  
Wait let me speak your language  
Cows go moo, moo, moo, moo, moo

Nice guys finish last that's why I'll treat you like trash  
It's not what I really want to do  
Oh.. You only date bad guys so I'll give you my best try  
To treat you the way you want me to

But behind the scenes, she means the world to me  
I wanna tell her that she's beautiful  
And show her that she's loved  
Hold her hand when she's scared  
Tell her how much I care  
But that won't win her heart because...

Nice guys finish last that's why I'll treat you like trash  
Not what I really want to do  
Oh.. You only date bad guys so I'll give you my best try  
To treat you the way you want me to

Hoe!
