

# That Girl

Chester See

Oh tonight I'm feeling fine  
I'm alone just wasting time  
No friday movie nights, or romantic candlelight

I'm just having conversations  
With the thoughts in my head  
All I hear are angels crying  
Oh won't they just sing instead

It would be wrong for me to say

I don't need that girl by my side  
I don't need that girl in my life  
I don't want to talk it out  
Or hold her when she cries

I don't want to say she's my kind  
I don't want to say that she's mine  
I don't want to tell her that I love  
her more than life  
More than life...

I love her more than life

Honestly, this won't do  
How is she doing?  
I tell myself that I'm feeling swell  
But I know I'm such a fool

I can take it as a new beginning  
But you know I don't feel that way  
Who will take all this pain away?

I know it's wrong for me to say

I don't need that girl by my side  
I don't need that girl in my life  
I don't want to talk it out  
Or hold her when she cries

I don't want to say she's my kind  
I don't want to say that she's mine  
I don't want to tell her that I love  
her more than life  
More than life...

I love her more than life...

Talk about a sin  
Was the day I walked  
Into the other side

I would run back in  
I wouldn't waste no time

I know it's wrong for me to say

I don't need that girl by my side  
I don't need that girl in my life  
I don't want to talk it out  
Or hold her when she cries

I don't want to say she's my kind  
I don't want to say that she's mine  
I don't want to tell her that I love  
her more than life  
More than life...

I love her more than life
