

## Agua Y Panqueques

Chester Watson

Yo  
We grew up on Aquatine and flapjack  
Now I'm drinkin' agua, eatin' flapjacks  
I'll proceed, say he mega proper and he pass that \*cough\*  
My monopoly is the ass  
Far as I can see I just had the modern [?] to pass tracks  
Met the Judo-Socrates in Baghdad, bag that, hashtag  
Wait, who the fuck is that nigga?  
Hair like a stegosaur, megazord, morph, split  
Adam's pray he bitter sick  
Laughin' sayin' "atta boy"  
Got the crown, niggas tryna get it, gotta battle for it
