

I Love Ugly

Chester Watson

Gold cactus camo owl on my chest
Got me feelin' hella native, getting stoned and elevated
That's a flex
Meditating on a jet
Hella faded, please don't text
I Love Ugly, Zespy pants, oh my God they keep the zest
Ok, ok, gotta keep the zest, yeah
I Love Ugly's Zespy's keep a nigga hecka fresh, yeah
Make me have a flashback to ballet, or ballet, damn
Might just cop a TEC and let it spray, damn
N Ü A G E causing mayhem
All Adidas, coppin' 3's, what can I say fam?
Don't wear Supreme, I ain't with it, the hype ain't safe
Always rocking I Love Ugly, got it tatted just in case, damn
Woah, the madman he's a goner
Everything is temporary 'til you prolong it
Woah, the madman he's a goner
Everything is temporary 'til you prolong it
Like juice and juice and juice and juice and who you tryna juic
e
I been getting money, I been chillin' with my Jews
Me and Metro Boomin, we the coolest from the Lou
Hit up Quentin Miller, tell him that I got that poof
Magic pressure (black magic)
I Love Ugly's Zespy's help me keep my zest up
Check the flex up
