

## off-white {demo ii}

Chester Watson

I got a lot on my plate  
Laughin when I'm not awake  
Cryin when I'm not awake  
Out of body, out of body, out of body  
Flyin when I'm not awake  
I'm flyin when I'm not awake  
I'm Zion without all the weight  
Big dawg  
She want me but nada the same  
I feel like Drake  
I tried to explain  
God and Allah are the same

I got a lot on my plate  
I got a lot on my plate  
I got a lot on my...  
I got a lot on my plate  
I got a lot on my mind  
Gotta be wise with my time  
Gotta be wise with my energy  
Sometimes it's best I not even reply  
It feel like a grotto inside  
Sometimes, it feel like I'm hollow inside  
Fuck it, might rent a Tesla for a couple days  
Just to engage auto-drive  
It feel great getting paid all the time

Okay just like that  
Okay, okay, just like just like  
Okay, okay, just like that  
Just like just like just like (tsssss) okay  
Just like that

Roll up a spliff and get lit  
Gettin my chakras aligned  
I'm guessing it is what it is  
Out of body, out of body, out of body  
Out of body, out of body...  
Goin on an acid trip  
It ain't ever feel like this  
It ain't ever feel like this, nah  
It ain't ever feel like this  
It ain't ever feel like this, nah  
It ain't ever feel like this

Out of body, out of body, out of body  
Out of body, out of body...  
Goin on a acid trip  
Goin on a acid trip  
Goin on a acid trip  
It ain't ever feel like this, nah  
It ain't ever feel like this, nah  
It ain't ever feel like this... nah

Ahh fuck  
Can't leave it to karma or luck  
I just keep it calm and adjust

I just keep it calm and adjust

Trees in my palms I'ma crush  
Used to mix lean with the crush  
That's my lil baby my crush, yea  
Can't leave it to karma or luck, yea  
And this moonrock got me stuck  
Yeah this moonrock got me stuck
