

# Why Worry

Chet Atkins

Baby, I see this world has made you sad  
Some people can be bad  
The things they do, the things they say

But, baby, I'll wipe away those bitter tears  
I'll chase away those restless fears  
That turn your blue skies into gray

Why worry?  
There should be laughter after pain  
There should be sunshine after rain  
These things have always been the same  
So, why worry, now? Why worry, now?

Baby, when I get down I turn to you  
And you make sense of what I do  
And, no, it isn't hard to say

But, baby, just when this world  
Seems mean and cold  
Our love comes shining red and gold  
And all the rest is by the way

Why worry?  
There should be laughter after pain  
There should be sunshine after rain  
These things have always been the same  
So why worry, now? Why worry, now?

Why worry?  
There should be laughter after pain  
There should be sunshine after rain  
These things have always been the same  
So why worry, now?

There should be laughter after pain  
There should be sunshine after rain  
These things have always been the same  
So why worry, now? Why worry, now?

Why worry? Why worry, now?  
Why worry? Why worry, now?  
Why worry? Why worry, now?

...
