

# Candy

Chet Baker

"Candy"  
I call my sugar "Candy"  
Because I'm sweet on "Candy"  
And "Candy" is sweet on me

She understands me  
My understanding "Candy"  
And "Candy"'s always handy  
When I need sympathy

I wish that there were four of her  
So I could love much more of her  
She has taken my complete heart  
Got a sweet tooth for my sweetheart

"Candy"  
Its gonna be just dandy  
The day I take my "Candy"  
And make him mine all mine

I wish that there were four of her  
So I could love much more of her  
She has taken my complete heart  
Got a sweet tooth for my sweetheart

"Candy"  
Its gonna be just dandy  
The day I take my "Candy"  
And make him mine all mine
