

I Can't Get Started

Chet Baker

I've flown around the world in a plane
I've settled revolutions in Spain
And the North Pole I have charted
Yet I can't get started, with you

Around the golf course I'm under par
All the movies asked me to star
I've got a house - a showplace
But I can't get no place, with you

You're so supreme
Lyrics that I write of you
Scheme, just for the sight of you
Dream both day and night of you
And what good does it do?

Each time I chance to see Franklin D.
He always said, "Hi, buddy," to me.
But you've got me downhearted
'Cause I can't get started with you

~~~~~♪♪♪ ~~~~~

Oh, tell me why am I know kept to you  
I, who know is stick to you,  
Fly dreams sin and sick to you  
Tell me why I'm trouble

Each time I chanced to see Franklin D.  
He always said, "Hi, buddy," to me.  
But you've got me downhearted  
'Cause I can't get started with you
