

# I've Never Been in Love Before

Chet Baker

I've never been in love before  
now all at once it's you  
it's you forever more

I've never been in love before  
I thought my heart was safe  
I thought I knew the score

But this is wine  
It's all too strange and strong  
I'm full of foolish song  
And out my song must pour

So please forgive this helpless haze I'm in  
I've really never been  
in love before

[horn solo]

But this is wine  
It's all too strange and strong  
I'm full of foolish song  
And out my song must pour

So please forgive this helpless haze I'm in  
I've really never been  
in love before
