You gotta know, I'm feeling love Made of gold, I never loved her Another one, another you It's gotta be love I said it

You gotta know, I'm feeling love You gotta know, I'm feeling love

You gotta know, I'm feeling love Made of gold, I never loved her Another one, another you It's gotta be love I said it

I might as well be in a garden
I said, ah
A smell in the air is a dripping rose (you could be the one for me)
Another soul to meet my void then
Of anything bare that's made of gold

A physical kiss is nothing without it And you close your eyes to see what it's done The body that lies is built up on looking Cause all that remains before it's begun

You gotta know, I'm feeling love Made of gold, I never loved her Another one, another you It's gotta be love, I said it

You gotta know, I'm feeling love Made of gold, I never loved her Another one, another you It's gotta be love, I said it

A heart will swell before it's hardened With the flick of the hair, it can make you old Another hole to dig my soul in I'll leave anything bare that keeps me soul

Aphysical kiss is nothing without it And you close your eyes to see what it's done The body that lies is built up on looking Cause all that remains before it's begun

You gotta know, I'm feeling love Made of gold, I never loved her Another one, another you It's gotta be love, I said it

You gotta know, I'm feeling love Made of gold, I never loved her Another one, another you It's gotta be love, I said it

You gotta know, I'm feeling love Made of gold, I never loved her Another one, another you
