

Killswitch

Chet Faker

I'm not the reason that you're looking for redemption
I cast a string and everything fades away
I guess we never had the mean to rule potential
I guess I'm not the person that I want to be

(2x)

You're everything I want to be
It scares the shit out of me

I'm not the reason that you're looking for redemption
You're my killswitch
I cast a string and everything fades away
Turn my world upside
I guess we never had the mean to rule potential
You're my killswitch
I guess I'm not the person that I want to be
I'm not the reason that you're looking for redemption
You're my killswitch
It scares the shit out of me
You're my killswitch
I'm not the reason that you're looking for redemption
I cast a string and everything fades away
Turn my world upside
I guess we never had the mean to rule potential
You're my killswitch
I guess I'm not the person that I want to be
