So Long So Lonely

Chet Faker

So long, so lonely
So long, so lonely

Help me make this feeling go away
I'm gonna take my time, gonna get away
Feels like I've been running too long under midnight
You're turning my cells so blue
But now that I found myself a muse, yeah
I'm gonna sing it right, I'm gonna see it through, said

So long, so lonely
So long, so lonely

I might make this feeling wanna stay, yeah
I'm gonna take my time, I'm not gonna run away
Oh, baby, I love you or maybe I don't
I can't really tell 'cause I can't say what I want
My eyes have turned all grey, I can't tell the time
Wanna feel, so I say
Gotta do it right

So long, so lonely
Yeah
So long, so lonely

I'm gonna make this feeling go away
I'm gonna take my time, gonna stay, yeah
Maybe I love you, maybe I don't
I can't really tell, I can't say what I want
My eyes have turned all grey, I can't tell the time
I wanna see you sail
But I gotta live my life

So long, so lonely
Yeah, yeah, yeah
So long, so lonely
So long so lonely
Yeah, yeah
So long, so lonely
Never gonna give in
