

# Ghost and Razor

Chevelle

Try you will, you always mattered most  
But loss is all we knew  
Feel again feel at last  
Do not deny it  
Feel again  
Feel at last

My ghost  
Don't tell me I'm below  
Disowned  
Just tell that devil we've been used

Any minute, any minute

Outside a million rooms  
The dark of night confused  
Oh hell no  
Shakedowns ungodly hours  
True peace of mind could use Giddy-up

My ghost  
Don't tell me I'm below  
Disowned  
Just tell that devil we've been used  
You never know  
Tonight

I stood alone  
I stood alone  
I stood alone  
When I stabbed the heart  
You'll stand alone  
You'll stand alone  
You'll stand alone  
If you stab the heart  
The heart, the heart, heart, heart  
Pride?

My ghost  
Don't tell me I'm below  
Disowned  
Just tell that devil we've been used  
Just tell that devil we've been used  
You never know

And know there coming to meet you  
And know we're coming to fix you  
Any minute  
Any minute  
Any minute  
Any minute  
Any minute

You never know  
You never know  
You never know  
You never know
