

Ouija Board

Chevelle

Are you up for anything
We're growing a fire
Self explore your egoism
Pulling out that Ouija board, it's on

Never say die less you mean it
You're the salt of the earth left uneasy
Right or wrong if the world explodes
Well you and I are one

Cuz we're growing a fire
Self explore your egoism
Pulling out your Ouija board oh no

How could you show 'em your weakness
Son of a bitch had no reason
Come along here's a seed of truth
Cuz you and I are one

Cuz we're growing
A fire (3x)
